(1390? - 1464)

MONTEZUMA I

A celebrated war chief of ancient Mexico. He was the son of a ruler of the city of Mexico; became famous as a warrior. Elected "emperor" (1436) and during his reign extended Mexico from the Pacific Ocean to the Gulf of Mexico. He beautified the city and constructed vast systems of dikes to prevent floods.

1436

Sigismund crowned king of  
Bohemia

1436

Duncan: Cal

Astronomer & philosopher Nicholas of Cusa (1401-1464) delivered to another Council - held at Basel, in Switzerland - another compendium of the calendar problem.

His "De Concordantia Calendarum" He proposed cancelling 7 days in 1439 and thereafter adding one day every 304 years. Critics objected not

grounds that the testimony remained  
too uncertain
